

RecomAb™

Valpha TCR recombinant monoclonal antibody, clone 34

Catalog # RAB00132 Size 200 ug

Specification

Product Description	Rabbit recombinant monoclonal antibody raised against human Valpha TCR.
----------------------------	---

Antibody Species	Rabbit
-------------------------	--------

Immunogen	Original antibody is raised against purified soluble 85.33 scTCR.
------------------	---

Reactivity	Human
-------------------	-------

Specificity	This antibody binds to the T-cell receptor alpha chains.
--------------------	--

Form	Liquid
-------------	--------

Purification	Protein A affinity purification
---------------------	---------------------------------

Isotype	IgG, kappa
----------------	------------

Recommend Usage	ELISA (0.1 ug/mL) Flow Cytometry (1 ug/mL) Western Blot (1 ug/mL) The optimal working dilution should be determined by the end user.
------------------------	---

Storage Buffer	In PBS, pH 7.2 (0.02% Proclin 300)
-----------------------	------------------------------------

Storage Instruction	Store at 4°C. For long term storage store at -20°C. Aliquot to avoid repeated freezing and thawing.
----------------------------	--

Applications

- Western Blot
- Enzyme-linked Immunoabsorbent Assay
- Flow Cytometry
