

Datasheet

***Streptococcus* NADase polyclonal antibody**

2000 Sep 8.

Catalog Number: PAB15599**Regulatory Status:** For research use only (RUO)**Product Description:** Rabbit polyclonal antibody raised against recombinant NADase.**Immunogen:** Recombinant protein corresponding to hemolytic *Streptococcus* NADase.**Host:** Rabbit**Applications:** IA, IP, WB

(See our web site product page for detailed applications information)

Protocols: See our web site at<http://www.abnova.com/support/protocols.asp> or product page for detailed protocols**Specificity:** This antibody reacts with NADase of Group A, C, and G origins.**Form:** Liquid**Recommend Usage:** Western Blot (1:2000-1:10000)

The optimal working dilution should be determined by the end user.

Storage Buffer: In antiserum (0.09% sodium azide)**Storage Instruction:** Store at 4 °C. For long term

storage store at -80 °C.

Aliquot to avoid repeated freezing and thawing.
