

DNAxPAb

Hard-to-Find  
Antibody

# ARFIP2 DNAxPab

Catalog # H00023647-W01P      Size 200 ug

## Specification

|                         |                                                                                                                                                                                                                                                                                                                                                                          |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human ARFIP2 DNA using DNAx™ Immune technology.                                                                                                                                                                                                                                                                  |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                                                                                                                                                                                                                                                                             |
| Immunogen               | Full-length human DNA                                                                                                                                                                                                                                                                                                                                                    |

| Purification            | Protein A                                                                                                                                                                                                                                                                                                                                                                |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                                  |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                        |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                                 |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)

- Flow Cytometry (Transfected cell)

## Gene Info — ARFIP2

**Entrez GeneID** [23647](#)

**GeneBank Accession#** [NM\\_012402.2](#)

**Protein Accession#** [NP\\_036534.1](#)

**Gene Name** ARFIP2

**Gene Alias** POR1

**Gene Description** ADP-ribosylation factor interacting protein 2

**Omim ID** [601638](#)

**Gene Ontology** [Hyperlink](#)

**Other Designations** OTTHUMP00000164590|arfaptin 2|partner of RAC1 (arfaptin 2)
