

MaxPab®

# ZNF333 MaxPab mouse polyclonal antibody (B01P)

Catalog # H00084449-B01P

Size 50 ug

## Applications

### Western Blot (Transfected lysate)

Western Blot analysis of ZNF333 expression in transfected 293T cell line ([H00084449-T01](#)) by ZNF333 MaxPab polyclonal antibody.

Lane 1: ZNF333 transfected lysate(33.33 KDa).

Lane 2: Non-transfected lysate.

## Specification

|                         |                                                                                                                                                                                                                                                                                                                                |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human ZNF333 protein.                                                                                                                                                                                                                                                   |
| Immunogen               | ZNF333 (AAH48107.1, 1 a.a. ~ 303 a.a) full-length human protein.                                                                                                                                                                                                                                                               |
