| <b>Purification</b>            | Protein A                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Quality Control Testing</b> | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                                                                                                                                       |
| <b>Storage Buffer</b>          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Storage Instruction</b>     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                                                                                                                                      |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)

- Flow Cytometry (Transfected cell)

## Gene Info — ZNF773

**Entrez GeneID** [374928](#)

**GeneBank Accession#** [NM\\_198542.1](#)

**Protein Accession#** [NP\\_940944.1](#)

**Gene Name** ZNF773

**Gene Alias** FLJ00301, MGC4728, ZNF419B

**Gene Description** zinc finger protein 773

**Gene Ontology** [Hyperlink](#)

**Other Designations** zinc finger protein 419B
