

IgM monoclonal antibody, clone M-4

Catalog # MAB6220

Size 500 ug

Specification

Product Description	Mouse monoclonal antibody raised against IgM.
----------------------------	-----------------------------------------------

Immunogen	Purified chicken Ig or isolated lymphocytes.
------------------	----------------------------------------------

Host	Mouse
-------------	-------

Reactivity	Chicken
-------------------	---------

Specificity	Chicken IgM.
--------------------	--------------

Form	Liquid
-------------	--------

Isotype	IgM
----------------	-----

Recommend Usage	Flow Cytometry (1 ug/10 ⁶ cells) The optimal working dilution should be determined by the end user.
------------------------	-------------------------------------------------------------------------------------------------------------------

Storage Buffer	In 100 mM BBS, pH 8.2
-----------------------	-----------------------

Storage Instruction	Store at 4°C.
----------------------------	---------------

Applications

- Immunofluorescence
