

F10 polyclonal antibody

Catalog # PAB0684 Size 1 mg

Specification

| | |
|---------------------|---|
| Product Description | Sheep polyclonal antibody raised against native F10. |
| Immunogen | Native purified Mouse F10. |
| Host | Sheep |
| Reactivity | Mouse |
| Specificity | This antibody recognizes mouse factor X. |
| Form | Liquid |
| Recommend Usage | Western Blot (25 ug/mL) The optimal working dilution should be determined by the end user. |
| Storage Buffer | In PBS (50% glycerol) |
| Storage Instruction | Store at -20°C. Aliquot to avoid repeated freezing and thawing. |

Applications

- Western Blot
- Enzyme-linked Immunoabsorbent Assay

Gene Info — F10
