

RecomAb™

# SCIN recombinant monoclonal antibody, clone R07-6G2

Catalog # RAB04802      Size 100 uL

## Specification

|                      |                                                                                                                                                                                        |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description  | Rabbit recombinant monoclonal antibody raised against human SCIN.                                                                                                                      |
| Antibody Species     | Rabbit                                                                                                                                                                                 |
| Immunogen            | Original antibody is raised against a synthetic peptide corresponding to human SCIN.                                                                                                   |
| Theoretical MW (kDa) | 80                                                                                                                                                                                     |
| Reactivity           | Human                                                                                                                                                                                  |
| Form                 | Liquid                                                                                                                                                                                 |
| Purification         | Affinity chromatography                                                                                                                                                                |
| Isotype              | IgG                                                                                                                                                                                    |
| Recommend Usage      | Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1:50-1:100)<br>Western Blot (1:500-1:1000)<br>The optimal working dilution should be determined by the end user. |
| Storage Instruction  | Store at 4°C. For long term storage store at -20°C.<br>Aliquot to avoid repeated freezing and thawing.                                                                                 |

## Applications

- Western Blot
- Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)
