

## *Clostridium tetani* monoclonal antibody, clone TetG2

Catalog # MAB1295      Size 100 ug

### Specification

|                                |                                                                                                                        |
|--------------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>     | Mouse monoclonal antibody raised against <i>Clostridium tetani</i> .                                                   |
| <b>Immunogen</b>               | Supernatant from <i>Clostridium tetani</i> .                                                                           |
| <b>Host</b>                    | Mouse                                                                                                                  |
| <b>Form</b>                    | Liquid                                                                                                                 |
| <b>Isotype</b>                 | IgG2a                                                                                                                  |
| <b>Quality Control Testing</b> | Antibody Reactive Against C. tetani.                                                                                   |
| <b>Recommend Usage</b>         | The optimal working dilution should be determined by the end user.                                                     |
| <b>Storage Buffer</b>          | In PBS, pH 7.4 (0.1% gelatin, 0.09% sodium azide)                                                                      |
| <b>Storage Instruction</b>     | Store at -20°C.                                                                                                        |
| <b>Note</b>                    | This product contains sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |

### Applications

- Western Blot
- Enzyme-linked Immunoabsorbent Assay
